Bro, are you ok?

Uh, yeah, but what are you doing with that scary thing.

For a moment, she didn't look like... human.

Eerie etc.

Do not upload my projects to online manga readers.
My projects must remain free of profits.

It's a girl

She shouldn't exist out of ordinary case.

Hoaman?!

Hoaman...
Hoaman, wake up!

My God.
It's as if... he is an ant.

Ugh! Now, I'm also starting to get chills.

Um..

Where did she go...? I didn't even hear her leave.

I don't want to, but I'm left with no other way but to do this.

Quit...

Quit playing around and come out.

Murmur

Murmur

Murmur

Mom...

Bahn! ..you..

Who..?

Where did the cries go?

Run!

Forget what you saw

Was you not?

Forget everything and never return!

Murmur

Murmur

!!

Young Master!
